

## New for 2016

### Flat Bar Bristle Belt

Now offering bristle belts constructed with flat bar, call for pricing.

### Side Finger Belts

Addition of side finger allows for improved product containment.

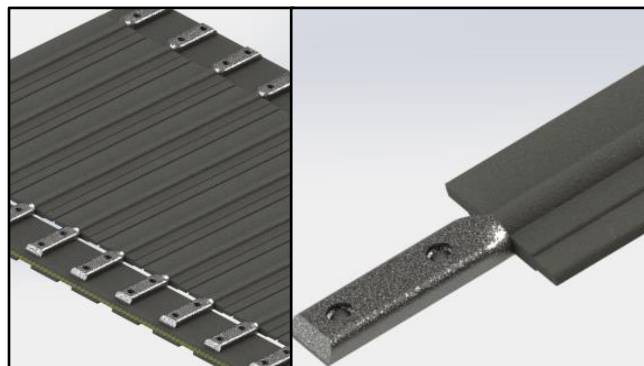

### Specialty Flights

Now offering a variety of specialty flights for use in a variety of applications.

### Threaded Joint Clips

Allows for quick and easy replacement in the field.

### Side wing Flight

Please ask about updated pricing on side wing flights.

*Please be sure to stop by our booth at the Eastern Idaho AG show (Pocatello, Jan 19-21), and the International Crop Expo (Grand Forks, February 15-18) to see these and other new products for 2016.*
